

Lock, Stock, and Barrel

The official newsletter for the Musquodoboit Valley Rifle and Revolver Club

Edition 11, February 2009

President's report:

IMPORTANT NOTICE.

Several members have not renewed their membership of the club. This was due on the 1st Sept last year! As a club, we are required to update the firearms office of the current members so that the Firearms officer can ensure that all holders of restricted firearms are current members of a shooting club with authorized ranges legal for handguns. We have held off with the latest update as, due to the changes in the clubs exec we have been late in reminding you to pay up! There was a small notice in the last newsletter but some of you seemed to have missed it. I have been contacted by several members, who say that they didn't get the last newsletter. Please talk to your buddies when you get this and ensure they got it to. Anyone you find that doesn't get this, get them to contact Joey Stonehouse at jsstonehouse@eastlink.ca and get him to update the membership list. The combination will be changed three weeks after this notice, with the new combination being sent to paid up members only.
Peter Eliot

From The Treasurer:

Important! Your 2008 membership ended at the end of September. If you have not yet renewed your membership it has expired. We will not be able to include your name on the list to be sent to the Firearm's Office. You have two weeks from the date of the publication of this notice to renew, after that you will have to rejoin as a new member which will cost an extra \$20~ *David Oickle*

From the Editor:

Greetings: You will notice I put the most pressing issues first and will say no more about it. I haven't had much time to update the web site either because I'm re-qualifying for my job and my employer owns me for 12 weeks to ensure I meet Transport Canada requirements within their strict timeline. This newsletter won't be so newsy partly for that reason but mainly so we could get the membership renewal notice out.

As a reminder to those who aren't already aware, **Membership Forms** are available in .pdf format to download from the web and can be filled out on your computer; there is a link at the bottom of the home page as well as on the "About Us" page. They must still be printed off and mailed in with payment. The **By-laws** have also been posted as a link, (although there are a couple of typos). These are "external" links and direct you to our "other" web site, this is due to some limitations with our web hosting company. If you've noticed a less than desirable experience with your browser, this is why.

Advertising - Members are invited to send for sale or trade items to me and I will print them in the newsletter **and** post them on the web though I will not take any role in any transactions. You can use the "Contact Us" link on the web to send your information, be sure to fill in the "Subject" line with something appropriate so it isn't misidentified as spam. I ask that you write it as you want it posted so I can cut and paste it, because I make typos too. Keep it concise so I won't have to edit for brevity. Also, please let me know if the item(s) sold so I can pull the ad down.
